

Conanicut Island Sailing Foundation (CISF), a tax exempt, charitable organization has been established to promote sailing and sailboat racing at every level. CISF, a 501 (C) (3) corporation, raises funds through 100% tax-deductible donations. The Foundation solicits and accepts cash, securities and boats to be sold and leased.

We plan to distribute all realized revenue to sailors; these funds will be awarded based on the individual needs of the applicants. Our goal is to achieve sailing excellence with a special focus on Conanicut Island Residents.

Funding is available for participants of all ages. This includes those involved with junior sailing at the instructional level, racing in regattas, training, coaching and the purchase of related equipment.

APPLICATIONS ARE DUE MAY 1st and NOVEMBER 1st
